

Dear Sirs; Although I have never sent a request like this before,I am now.
Please,Please,Please Do Not let new LPFM take priority over current FM translator service. I listen to K-LOVE daily here in the Napa Valley and I Need it's positive and uplifting music DAILY! It has saved my life in very difficult times and as well as many of my friends too! This station has saved, comforted, and rescued many a troubled heart here in the Napa Valley. I have told many a person about K-LOVE and shared the joy of it with many fellow friends. I think so much of it that I even support this station with monthly donations and have for several years and so do many friends. I am totally convinced that this is a public necessity, A public service that I am willing to pay for. I do not or have not ever donated monies to a public radio or television program other than to K-LOVE and I plan on continued monthly donations to support it's very worthy cause. We all need more wholesome values that are positive and encouraging in our communities and all across America, especially in times such as these. Thank you for your time and your support. Sincerely Shirley J. Handley
